VENICE SOURCING

Global Apparel Buying House

COMPANY PROFILE

Quality With Dedication

Company Overview

Venice Sourcing is a leading **global apparel buying** house in Bangladesh, specializing in sourcing, product development, quality assurance, and supply chain management for international fashion brands and retailers. We proudly export premium-quality apparel from Bangladesh to leading **European markets, including Germany, France, Italy, Spain, the Netherlands, Belgium, Denmark, Sweden, and the United Kingdom, delivering woven, knit, sweater, and denim garments that meet the highest international standards**

.

With a strong network of compliant manufacturing partners and experienced merchandising professionals, we ensure seamless coordination from product development to final shipment. Our commitment to quality, transparency, competitive pricing, and on-time delivery has enabled us to build long-term partnerships with customers across global markets.

Driven by professionalism, innovation, and customer satisfaction, Venice Sourcing is dedicated to providing reliable sourcing solutions that create value for both our clients and manufacturing partners while contributing to the continued growth of Bangladesh's ready-made garment industry.

Why Choose Us?

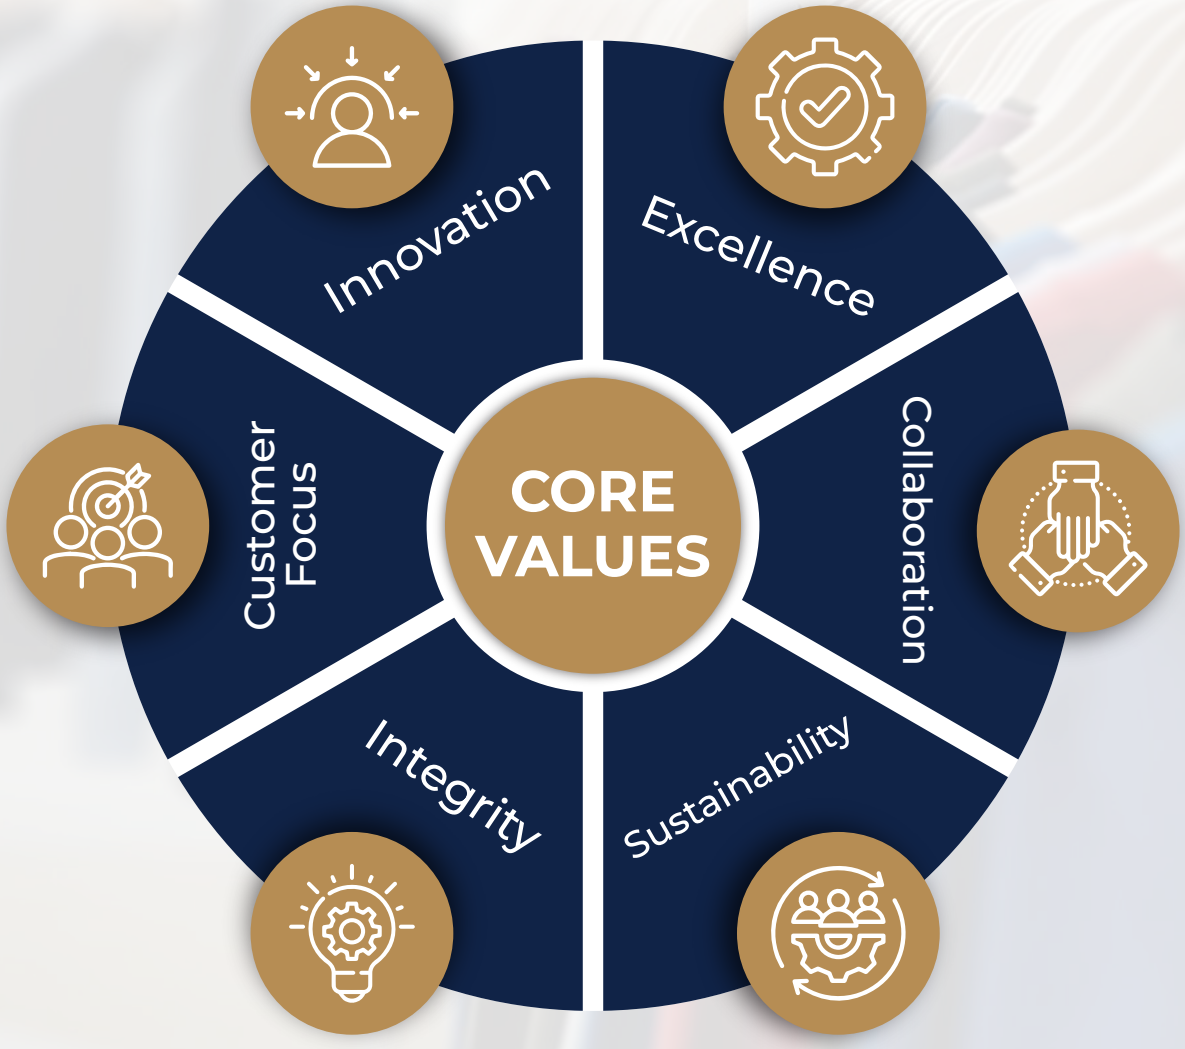

- **Trusted Sourcing Partner** – Reliable apparel sourcing solutions backed by industry expertise and strong manufacturing partnerships.
- **Quality Assurance** – Strict quality control at every stage to ensure products meet international standards and buyer expectations.
- **Competitive Pricing** – Cost-effective sourcing without compromising on quality, craftsmanship, or compliance.
- **On-Time Delivery** – Efficient production planning and logistics management to ensure timely shipment of every order.
- **Compliant Manufacturing** – Collaboration with certified and socially compliant factories that follow global ethical and sustainability standards.
- **Product Development Expertise** – End-to-end support from design and sampling to bulk production and final delivery.
- **Dedicated Customer Support** – Responsive communication and personalized service to build long-term business relationships.
- **Global Market Experience** – Serving international buyers across Europe with a deep understanding of global apparel sourcing requirements.

Vision

To become a globally trusted apparel sourcing partner by delivering innovative, sustainable, and value-driven sourcing solutions while promoting the excellence of Bangladesh's garment industry in international markets.

Mission

- Deliver premium-quality apparel through efficient sourcing, strict quality control, and reliable supply chain management that consistently exceeds customer expectations.
- Build long-term partnerships through integrity, transparency, competitive pricing, and on-time delivery.
- Promote ethical sourcing and sustainable business practices while continuously improving our services through innovation and operational excellence.

MESSAGE FROM
Managing Director

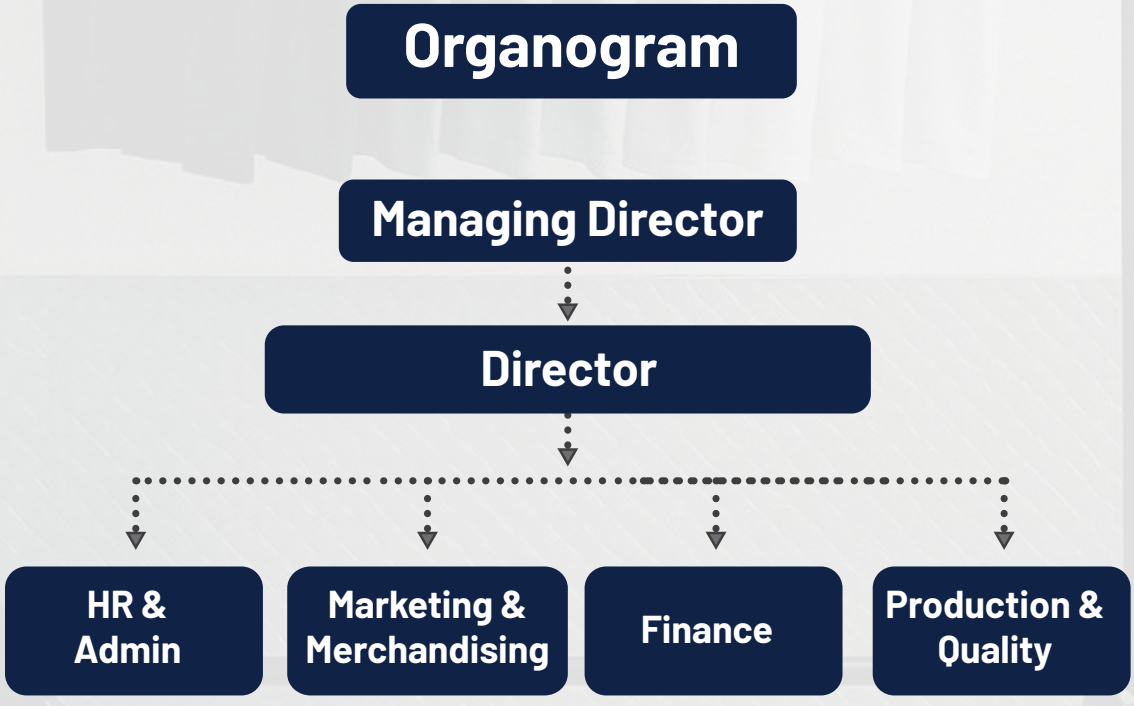

At Venice Sourcing, we are committed to connecting global buyers with Bangladesh's world-class apparel manufacturing industry through quality, reliability, and ethical sourcing. Our focus is on delivering products that meet international standards while ensuring transparency, competitive pricing, and on-time delivery.

With a dedicated team and trusted manufacturing partners, we manage every stage of the sourcing process with professionalism and attention to detail. We believe that trust, innovation, and long-term partnerships are the keys to sustainable success.

I sincerely thank our valued clients, partners, and team members for their continued trust and support. We look forward to building stronger relationships and achieving greater success together.

Sustainability

Ethical Sourcing
We strictly follow both local and international labor laws to ensure ethical, transparent, and responsible operations across all levels of production.

Environmental Responsibility
We encourage eco-friendly manufacturing processes, efficient resource utilization, and responsible waste management to reduce environmental impact.

Quality & Compliance
We ensure all products are manufactured in accordance with international quality, safety, and compliance standards.

Responsible Supply Chain
We work closely with trusted suppliers and manufacturing partners to maintain transparency, traceability, and accountability throughout the supply chain.

Worker Health & Safety
We support factories that provide safe, healthy, and secure workplaces while promoting employee well-being and professional development.

Continuous Improvement
We embrace innovation and sustainable sourcing practices to enhance operational efficiency and create long-term value for our clients, partners, and the environment.
